**[https://www.facebook.com/pages/CAH-Great-Ormond-Street-Parent-  
and-Patient-Support-Group/320900711287880](https://www.facebook.com/pages/CAH-Great-Ormond-Street-Parent-and-Patient-Support-Group/320900711287880)**

*We have some excellent data on the side effects from the meeting we held in June 2014. We plan to explore the reasons why so many have the side effects and believe we can help in preventing some of these occurring. There will be no charge to attend this meeting, so come along for a great afternoon, meet others, share ideas and for all who have asked, there will be good coverage on using hydrocortisone infusion via the pump method.*

**PROGRAMME**

- 11:45 – 12:00** Registration and Introduction
- 12:00 – 13:00** Presentation of Questionnaire  
*(Findings from June 2014 meeting)*
- 13:00 – 14:00** Lunch
- 14:00 – 14:30** Cortisol Replacement and Glucose  
*(Professor Peter Hindmarsh)*
- 14:30 – 15:00** Measuring Steroids  
*(World Expert Dr John Honour)*
- 15:00 – 16:00** Emergency Services and Care How it Works  
*(Dr Sam Thenabadu Kings College Hospital)*
- 16:00 – 16:30** Ambulance Services – What We do when we get a call  
*(David Whitmore London Ambulance Service)*
- 16:30 – 16:45** Using a Pump to Deliver Hydrocortisone  
*(Professor Peter Hindmarsh)*
- 16:45 – 17:00** Question and Answer Session  
*(Professor Peter Hindmarsh & Dr John Honour)*

*The subject content of this meeting is for all ages and is for those who are on cortisol replacement therapy, no matter what the cause or age. However please note that due to the venue layout unfortunately we are unable to accommodate children under 10 years.*

*Seats are limited and will be allocated on a first come first served basis. To book please send an e-mail giving the names of those who you would like to bring along and the condition that you are associated with.*
